Hi Danielle – this is the first I've seen of this petition, although we received an earlier communication from Tulane/Ouachita River Keeper about two years ago. Thanks for alerting us and I am copying our ORC.

This came in through CMS (AX-15-001-3841) as an FYI. It doesn't appear to be assigned to anyone to respond to that I can see but R6 may have it. If you guys find out that they don't have it you might want to forward it to them.
